

Citrus County Food and Nutrition Services
is excited to introduce...

An Innovative, state-of-the-art Menu Program designed to give parents, students, staff, and the community an in-depth look at the meals proudly served at the Citrus County Schools. Each menu item shows a picture and a description of the item. The “Big 8” allergens can be easily accessed using Special Diet filters. Need to count carbs?, we can do that. Carbohydrate counts are easily accessed by clicking on the Carbohydrate Count widget. **nutrislice** is an easy to use program that allows you to access the information you want in just seconds. Have a smart phone? Download the **nutrislice** app and have all the information at your fingertips. Visit Citrus.nutrislice.com and see it for yourself.
