Citrus County Schools

Katrina's Korner

It's that time of year and all Title I expenditures are due before March 31, 2019. If you have any professional development or Summer Planning I will need that information by March 31 as well. Please remember that any professional development or Summer Planning must be spent before June 30, 2019.

All Title I purchases need to be uploaded into Microsoft Teams.

As always, please contact me if you have any questions or need any assistance

SM11 Building a custom course allows teachers to select specific content in order to focus student learning on specific standards for added differentiation.

Study Island's New game Modes: In Challenge mode, students compete against their classmates in a teacher led session, earning points for correct answers, quick responses, and correct answer streaks.

In Race mode, students race against each other to answer as many questions correctly as possible as quickly as possible.

Title I News

We had our 3rd District Family Engagement Meeting on February 27th. Once again we focused on parent involvement and the 5 elements of effective family engagement. Parents reflected on school based family engagement activities and were able to share ample opportunities for these activities at their home schools. This says a great deal about the relationships we are building with our parents here in Citrus County.

Dan Koch presented an online safety guide for parents. He was able to share social media concerns with parents and guide them on how to monitor student's air time. In the Parent Information

Please begin thinking about your Title I budget for the 2019-2020 school year (allocations coming soon we hope). As DOE becomes more stringent with expenditures it is important we connect our spending to academics and family engagement.

If you did not receive the links to your schools iReady quotes please let me know and I will get them to you ASAP.

Parent Information for newsletters:

Our Technology Team has added family guides to our Educational Technology section of the Citrus County Schools' website from the National Online Safety site. They are visually eye-catching and give parents more insight into some of the apps and services children may be using so they can make informed decisions at home. Parent link below:
